Call for Artists - 8th FIAAC en Pouilly Fumé - April 30 - May 3, 2020

Submission deadline: November 18, 2019

Our not-for-profit organization, "Les Rendez vous du Pouilly Fumé," is now accepting submissions from artists wishing to exhibit their paintings/drawings at the 8th annual "FIAAC en Pouilly Fumé" (April 30 - May 3, 2020). Every year we host about twenty living artists chosen for the quality, originality, and cohesiveness of their work. Each artist has her or his own exhibit in one of the participating Pouilly Fumé wine cellars or shops (150 to 300 m2 exhibit space per artist). A jury composed of three VIPs from the French art world (an artist, a gallerist, and a collector) awards the Grand Prix de la FIAAC en Pouilly Fumé* to one of the artists, and the Zeuxis Prize to one of the exhibits. The artists award the Dionysos Prize to one of the participating winemakers.

*Our association will purchase one of the winning artist's works.

ORGANIZATION

The FIAAC en Pouilly Fumé selection committee, composed of association members and contemporary art specialists, reviews all the artists' submissions and makes its selection. From the artists selected by the committee, each winemaker-gallerist chooses the one whose works s/he would like to exhibit in her/his wine cellar. A list of the selected artists will be published in January. The selected artists and the winemakers are encouraged to contact each other

as early as possible to organize the exhibits. The day before the FIAAC opens, the winemakers help "their" artists hang their works in the wine cellar or shop. **Each participating winemaker will provide free accommodation for their artist** and a guest throughout the event. The artists and winemakers must be present during exhibition hours. Artists are responsible for the cost of transporting and insuring their works. They set their prices at their discretion. No commission is taken on sales.
